Leading University

Department of Computer Science and Engineering

Program: Bachelor of Science (B.Sc.) in CSE

Time: 20 min Full Marks: 10

Answer all of the following questions.

1	Write a C program to check whether an integer number is between 5 and 10 (inclusive).	2
2.	Write a C program to check whether a character is lowercase or not.	2
3.	Write a C program to check whether a number is positive, negative, or zero.	3
4.	Write a C program to find the smallest number among three numbers.	3

Note: In each problem, take input from the user. Define appropriate data types when necessary and print appropriate messages in the output.
